Newly designed with today's innovations and technologies, you will be glad that you have chosen the NauticStar Deck boat to entertain your family and friends. Plenty of room and storage and plenty of things to do, no one is left behind with the NauticStar Deck boats. From the leather touch upholstery to "Wood Free Construction" and color coordinated bimini top to stainless steel cleats are just a few of the standard features that make this selection the right boat at your dock. Power it with a fuel efficient, dependable Yamaha Outboard and your ready to cruise.

**Compare Construction, Compare Performance, Compare Features.**

You'll find that NauticStar Decks shine bright above all the competition.
